SIMATS ENGINEERING

Dear Parent,

S. Bhadradri Satti Reddy has completed 27 out of 30 core subjects and has 2 left. Out of 8 electives, he has completed 3 and has 5 remaining. With 5 ongoing courses, he has 2 arrears. He did not attend placement drives or enroll in online courses but completed AI and Python certifications. I have advised students to register for NPTEL and other online course to develop knowledge relevant to their area of interest.

Kindly Note:

Uploaded Gurupadigam screenshots should be sent to the mentor on a weekly basis.

All kind of information can be found in ARMS portal
